ABOUT ACTIA

ACTIA Group is a mid-market company (ETI) founded in 1986. It is at once a family and an international business whose head office is located in France. This family aspect guarantees the long term future of the Group and its independence with an ever present entrepreneurial spirit. ACTIA's business is to design and produce the electronics that control systems in the particularly demanding fields of the automotive industry, rail, aeronautics, the space industry, defence, energy and telecommunications.

The commitments made by ACTIA can be seen in the Group's ambitious contributions to tackling challenges that currently face society: mobility, connectivity, safety and the environment. Control over the design and production of products bearing the ACTIA signature is a true guarantee of quality. All Group employees share this demanding approach to quality in an environment that is fully certified.
