

PRESS RELEASE

ACTIA Group included in the CAC® PME index

Euronext has announced that ACTIA Group (NYSE Euronext FR0000076655 ATI) shall be included in the CAC® PME index effective July 7, 2014. This index tracks the performance 20 to 40 French companies eligible as investment vehicles for PEA PME equity savings accounts and listed on Euronext and Alternext markets in Paris.

The CAC® PME index is identified under ISIN FR0011710375 with the trading symbol CAPME. Its components are based on local trade volumes. The weight of each individual stock is capped at 7.5%. The CAC® PME index is calculated in real time, and its components and weightings are revised each quarter.

On March 27 of this year, ACTIA Group announced its eligibility to be included in the new French PEA-PME tax-advantaged equities savings accounts for SME stocks (enacted by publication of the implementing decree in the *Journal Officiel* on March 4, 2014).

Its inclusion in the CAC® PME index will provide additional visibility to ACTIA Group share with respect to new potential shareholders attracted by the French PEA-PME savings vehicle.

ACTIA Group joins the panel of French companies considered representative of the diverse industry segments and stock market performance of the SME segment in light of their capitalization or liquidity.
