Consolidated turnover In € millions	2011	2010	Var.
1 <sup>st</sup> quarter	62.0	57.1	+ 8.6 %
Of which; Automotive	55.9	50.2	+ 11.4 %
Telecommunications	6.1	6.9	- 11.8 %

Unaudited figures

**ACTIA GROUP** turnover for the 1<sup>st</sup> quarter 2011 reached € 62.0 million, an increase of 8.6 % as compared to the same period in 2010. This performance was driven by the Automotive business, which, quarter after quarter, is showing firm and sustained growth. International sales rose to € 26.5 million, an increase of 2.3 % as compared to 2010.

**The Automotive Division** recorded turnover of € 55.9 million in the 1<sup>st</sup> quarter 2011, representing an improvement of 11.4 % over the 1<sup>st</sup> quarter 2010, due in large part to the new products launched by ACTIA Automotive that have met with considerable success around the world. During the period, the Group also signed sizeable new contracts with two major European car manufacturers, thus confirming its position as a first choice partner.

**The Telecommunications Division** generated revenues in the 1<sup>st</sup> quarter 2011 of € 6.1 million, down by 11.8 %. The business, which went through a period of restructuring in the second half 2010 is now focused on high added value markets.

**Outlook**

Bolstered by the growing recognition of its expertise, **ACTIA GROUP** intends to pursue the development of its Automotive business with the objective of a return to profit in 2011. Concerning the Telecommunications business, the Group reconfirms its objective of reaching breakeven at end 2011.
