Unaudited figures

During the first quarter 2015, ACTIA Group continued its positive growth trend with turnover of €86.8 million, up by 13.1% in relation to the first quarter 2014.

It should be noted that the Group has forecast growth of 8% across the full year 2015.

Over the same period, against a positive background in Europe, the turnover of the foreign subsidiaries progressed by 14.9% and they now represent 46.0% of the overall business. International customers accounted for 66.7% of the business.

- **The Automotive Division** (89.8% of sales) recorded turnover of €78.0 million, an increase of 14.2%. The business continues to benefit from the strong growth in sales of telematic boxes for trucks and premium lightweight vehicles. The other areas of business covered by the division are either stable or slightly up.
- **The Telecommunications Division** (10.1% of sales) enjoyed turnover of €8.8 million, representing a temporary increase (+4.3%) pending the usual mid-year drop-off of the business, and in relation to an exceptionally high basis of comparison for 2014.
